

Dear Home Owner

Congratulations on your new home

Thank you for choosing Flick Anticimex to protect your property from the threat of termite damage. If you are unaware, you have a termite management system. The system was installed by Flick Anticimex at the time of construction to meet your local council requirements for termite protection. Your Flick Anticimex Termite Management System adds considerable value to your home, especially if you decide to sell the property.

About Your Termite Protection:

- Your termite management system has a 50 Year Warranty from installation.
- Annual inspections are required by Flick Anticimex technicians to maintain your warranty.
- You need to advise Flick Anticimex of any landscaping or building changes near the perimeter of your home as these may affect the system.
- You must activate your warranty.

Activating Your Warranty is Easy:

This is very important as it activates the warranty for your termite management system under your name. If you are not the owner please advise our office of the owner's contact details.

Please complete and return your **Warranty Activation Form**.

Simply fill in your details at www.flick-anticimex.com.au

Please read all the information in this Termite Warranty Pack. Termites cause billions of dollars' worth of damage to Australian homes. Remember to book annual inspections with Flick Anticimex and maintain your valuable termite protection warranty! For any further information and great prices on pest control please do not hesitate to call us on 13 14 40.

Enjoy your new home!

Kind Regards,

Flick Anticimex Pty Ltd

13 14 40
