

CONGRATULATIONS ON THE PURCHASE OF YOUR NEW HEBEL HOME

We are confident that you will enjoy living in your Hebel home – the incredible thermal properties of Hebel means it stays warmer in winter and cooler in summer, saving you in energy costs. It's also great for acoustics - creating a more quiet and peaceful home for you and your family.

For any questions relating to your Hebel home or to view the Hebel product warranty, visit www.hebel.com.au/warranty.
